

Suzuki Spring Neighborhood Concerts

April is “Celebrate Spring Suzuki Style” Month!

Throughout the month of April, the Arizona Suzuki Association encourages studios, families, and/or individuals to pick a date in April, pick a neighborhood location (driveway, porch, backyard, etc), and perform your favorite Suzuki pieces! Snap some pictures and take some videos to share with the ASA and we will celebrate as a state as we view the photos and videos of all of our concerts!

Please send all pictures and videos to:
arizonasuzuki@gmail.com

Happy Suzuki Spring to you all!
